 DIRECTOR OF ELECTIONS

Occupation: writer, businessman

Occupational Background: owner- Biotech Systems- distributor of clinical laboratory products and instrumentation ~~for~~ over a decade in the western region. 20

- Sales ~~and~~ marketing manager, representative, consultant- reference laboratories, ~~clinical laboratory~~ products. ^{clinical}
- Analytical chemist: QC and QA manager- pharmaceutical ~~manufacturing~~.

Educational Background: PSU chemistry major
Cleveland HS class of '73 27

Prior Government Experience: Centennial HS site council- last 2 years.

Community Service: 2500 hours community coaching.

- 5 years President, started and ran USATF sanctioned Centennial Track Club. I initiated ²⁶ and with the help of other parents put on 2 State Middle School Invitational Track meets.
- 1 year full time parent volunteer coach 6th grade track program.
- 4 years full time volunteer coach Centennial Middle School wrestling program.
- 5 years assistant Centennial Mat Club coach.
- 4 years Centennial Mat Club representative to kids Mat Club wrestling association(NJCWA). 58

I support the idea of true partnership of parents, teachers ~~and~~ students ^{and} their respective rights and responsibilities. While community coaching I always worked for safe environment and believe this essential for education. 33

I bring a very different ~~and~~ aggressive perspective ~~and~~ fixit type approach by systemic analysis and entrepreneurialism; having a high-tech business background, but I am also an ~~intellectual~~, an outdoorsman, an avid reader and believe in the "old school" approach ⁴¹ to education- the Jeffersonian tradition- we educate the whole person. I support ~~more~~ reading aloud at the primary levels and more PE. 22

Before we move on to a new bond measure we must guarantee the integrity of the "operating system" and make sure the our money was properly spent from the last bond measure. This greatly concerns me. I come from a technical background where things ⁴⁴ are fixed by a "systems approach" - not by a "squeaky wheel" approach" - when some parent complains. We need to insure a greater integrity in the process of building new schools and programs. 32

My wife and I ~~have lived in the Centennial district for over 23 years and have had 3 children in the Centennial System- one at Pacific, one at PSU, one to graduate this year.~~
